#### RELIABLE AUCTION STABLES

Having 125 head of Horses and Mules for this sale, it will pay you to come and have a look and you will be able to get good Horses and Mules at a great sacrifice.

**Harry Wilder, of Staunton, Va.**  
15 head of the best young Horses and mares that has ever been shipped to any market to sell for whatever the public in general wants to give for them. Mr. Wilder has had these horses all working on his farm at Staunton, and they are all seasoned stock and ready to use.

**Joseph D. VanFleet**  
12 head of Horses that was shipped to us, and we have positive orders to sell and clean up his consignment. You know what this means—it means that we will absolutely sell them, regardless of cost.

**SPECIAL MENTION**  
One of the handsomest Saddle Horses that Richmond has ever had. This Horse is a beautiful bay, with black points, flowing mane and tail, and with perfect manners; 6 years old and sound and broken to harness. Can be used by ladies. This is a perfectly grand Horse. One extra nice Mare that is a general purpose animal. She is of the best type and will suit you for any kind of work you may need a Horse for.

**ANNOUNCEMENT**  
Having associated myself with W. H. Chambers' Reliable Auction Stables, I will be pleased to see my many friends and patrons. Will receive all communication through this stable. Thanking my friends for their past patronage, and hoping to see them at my new address, respectfully  
**JOHN TRUEHARDT**

**ICEMEN! ICEMEN!**  
Don't overlook this sale, as you will find some great bargains here. Horses that have the size and quality for your business—those rugged fellows that can and will pull and give you satisfaction. Those acclimated Horses that are fit to work at once.

**BAKERS! BUTCHERS!**  
You will find some very desirable Horses for your kind of work. Just the kind you like—those broad, thick, heavy set Horses that always wear good, that are sound and young.

**WM. H. CHAMBERS**  
20 head of Horses and Mares that have been very carefully selected by himself. These Horses are the kind any one will want. We think this is as good a load as ever shipped to Richmond. Every Horse has weight, shape and quality. Come and see these Horses and you will buy one.

**REMEMBER**  
We sell Horses different from the rest, and we do business different from the rest.

**"How Do We Do It?—This Is How"**  
Because we sell every Horse under a full guarantee. No matter what you pay. The price doesn't make one bit of difference to us. You get a guarantee equal to a government bond.

**Our Motto: "Money's Worth or Money Back"**  
When you make a purchase with us, when you get home, if you find we have neglected to tell you anything but what is right, send your horse or mule back and get your same amount of money back; because we stand back of everything we sell.

**City Horses and Mules**  
15 Head of Horses and Mules that will be sold at 1 P. M. sharp, used on the streets of Richmond. We have explicit orders to sell them. Some are a little pavement sore, but all young and with good size. Don't forget to be with us at 1 P. M.

**EXTRA NOTICE**  
4 Dapple Gray Horses that are the very best in the city; without doubt they are fine; good colors and young; they weigh right, 1,200 each, and fresh, five years old. They are just better than anything in Richmond. They would make the best ice wagon teams in the city. Come and look at them, and you will agree with us that they are the best you ever saw.

**We Run a Straight Auction**  
WE DO NOT ALLOW ANY BY-BIDDING. NO CAPPERS; NO BOOSTING; EVERY BID IS A BUYER AND LEGITIMATE. Every man, when he buys at our auction, is protected against pluggers. So when you hear the auctioneer crying, whatever bid he cries IT IS A LEGITIMATE BID.

Before you part with your money, ask and see for yourself if you are buying from "CHAMBERS," and then you need not fear, because we call out everything regarding what you buy. We call a spade a spade.

Come and get acquainted with us, and when you attend our sales you will be convinced that we not only save you money on what you buy, but we fully protect you.

**"How Do We Protect You"? Why! Why! Why!**  
We give you your money back if anything is misrepresented. That's the way we do. We have posted right in front of our auction stand: "All Horses Sold MUST be as Represented or Your Money Refunded."

How can you go wrong?  
W. H. CHAMBERS personally represents every horse as he comes up to be sold. He never misses to tell you every detail, and when you get home you have a better horse than you expected to buy.

**Ask Your Friends. Our Reference is Everybody**  
So you cannot go wrong if you ask how we treat our customers. Remember our reference—

**EVERYBODY**  
old and young, large and small. We give you better treatment than any stables in the city. We do not care where you live—if you live five miles or 105 miles—if what you buy is not as we say, WRITE, TELEPHONE or TELEGRAPH, and we return your money. Parties having surplus Horses, bring them in and we can sell them, and get your Horses sold, as we sell them like they should be sold, and give you your money the same day you sell.

Remember the stable—the large yellow front with the big red auction flag flying. Also the date—TUESDAY, APRIL 27, at 10:30 A. M.
